

Join Totally Psyched – Where Excellence in Mental Health Care Begins

We are seeking passionate and skilled **Psychologists** to join our dynamic team in Takapuna. This role is ideal for professionals who are enthusiastic about working with children and adolescents, particularly in therapy and neurodevelopmental assessment.

You'll be joining a collaborative team of Clinical, Educational, and Counselling Psychologists, Counsellors, and Consultant Psychiatrists. We specialise in neurodiversity and clinical mental health, so experience or strong interest in these areas is highly valued.

Full training in multidisciplinary neurodiversity assessments is available, although prior experience is preferred.

Flexible working arrangements are available, including full-time and part-time roles (minimum two days per week), with options for employment or contracting. We offer competitive remuneration and encourage innovation in therapeutic practice. Our culture prioritises flexibility, wellbeing, and care—for both our clients and our team.

What You'll Bring

You are a warm, professional, and empathetic practitioner who thrives in a team-oriented environment. You're passionate about working with children, adolescents, and families, and bring a high level of clinical skill, resilience, and emotional intelligence to your work.

Qualifications:

- Bachelor's degree
- Post graduate level training in Clinical/Child & Family Psychology from a well-regarded University
- Annual Practicing Certificate with the NZ Psychologists Board.
- Registration with the NZ Psychological Society or relevant Psychologist scope of practice professional body.

Key attributes include:

- Strong communication and interpersonal skills
- Ability to work independently and collaboratively within a multidisciplinary team
- Motivation for ongoing professional development

- Experience with a range of clinical mental health presentations
- Commitment to excellence in client care and therapeutic outcomes

You'll also benefit from daily collegial support and regular multidisciplinary team meetings for peer review and supervision.

How We Support You

At Totally Psyched, we ensure our clinicians are fully supported so they can focus on what they do best—providing outstanding care. You'll receive:

- Full administrative support (scheduling, payments, invoicing)
- Dedicated management assistance with referrals and client care
- A nurturing and collaborative team environment
- Flexibility to balance work and personal life

Whether employed or contracted, you'll be part of a team that values your expertise and supports your growth.

Please note: This opportunity is open to **New Zealand registered professionals only.**
